Pathways Sexual Situations Questionnaire

These situations can be used in conjunction with the Chapter 1 test in order to review legal/illegal aspects of sexual behavior.

Note: Some of the following examples may not contain enough information for a positive answer. For example, in some cases you would need to know the person's birthdate in order to determine if it is legal or illegal. In those cases, check "Maybe" and explain.

1. A 12-year-old boy meets a 16 year old girl at a baseball game. They exchange phone numbers, and end up meeting each other later in the week at a nearby park. At the park the boy kisses the girl, and the girl guides his hand down her pants and the boy fondles her. The girl gives permission for him to do that.
